GENERAL FUNDRAISING IDEAS

Remember the Cause

Big Brothers Big Sisters matches children facing adversity with caring, adult mentors. Kids who have Bigs are more likely to graduate high school and college, less likely to use drugs and alcohol and have higher self-esteem than their peers. Share what you know about BBBS with your prospects and they will be more willing to donate.

Start with Past Donors

If you want to see a list of your supporters from a past event, just let us know! We can supply their contact info and donation amounts as well.

Be Social

Utilize your social network by sharing your fundraiser on Facebook or twitter. You could also put the link in your Instagram, or Tik Tok Bio.

Aim High

The quickest and easiest way to meet your goal is to ask for at least \$25 every time. Make your personal pledge the first!

Get it Matched

Many companies will match an employee's contributions to a charity. Ask your HR Director or Office Manager if your company participates in a Company Match program. If so, your donation will go even further.

Make it Personal

Tell your network why you're supporting Big Brothers Big Sisters. Let them know about the life-changing outcomes and personal experiences you may have had with BBBS or your own mentor.

Face-to-Face

Fundraisers have a lot of luck by simply walking around their office or neighborhood and asking their contacts to support them with a donation.
